

EVENTS OF DAY IN  
WEST SCRANTONUNRULY PASSENGER COMES TO  
GRIEF ON A STREET CAR.

After Being Ejected James Mahon Re-Entered the Car and Smashed a Window—Second Glibney Child Dies from Diphtheria—Stabbing Affray on Scranton Street—Funeral of Mrs. Thomas Eynon—Viaduct Committee Appointed—Other Minors News Notes.

Some excitement was caused on the Washburn-Drinker car No. 306 last evening shortly after the car left the Jackson street terminus, when an ungentlemanly passenger named James Mahon, of Petersburg, was attacked with a coughing spell and expectorated on the floor, contrary to the requests of the board of health and the rules of the company. When conductor John Granacker asked him to refrain from such a practice Mahon became unruly and it was necessary to eject him from the car. This was not accomplished, however, without some difficulty.

When Mahon regained his equilibrium he again boarded the car and made a dash for the conductor, who was on the inside. His progress was impeded by the double sliding doors and in his frantic endeavor to reach Granacker he thrust his fist through the glass in one of the doors. The conductor was slightly injured by the flying glass, but again succeeded in subduing the passenger.

Ex-Patrolman Frank Gibson boarded the car at Fourteenth street and it was all over with Mahon, as the corporal officer downed his man without much trouble.

## ANOTHER AFFLICTION.

A second family in West Scranton has been sorely afflicted during the past week in the visitation of death calling away to the bourne from whence no traveler returns two little children in each instance. The first of the week Mr. and Mrs. David I. Davies, of Fellows and Ninth streets, were called upon to mourn the loss of their two children, Ruth and Milton, and Thursday night, a few hours after their son, Ambrose, was buried. Mr. and Mrs. William Glibney, of 139 South Everett avenue, suffered the loss of another son, James, aged 9 years.

The Davies children suffered from scarlet fever and the Glibney children were afflicted with diphtheria, but the immediate cause of death in the case of James Glibney was paralysis due, however, to diphtheritic effects. The funeral of the latter will be privately conducted tomorrow afternoon, with interment in the Cathedral cemetery. The abatement of contagious diseases

has not been very noticeable, and while the death rate is increasing, the necessary precautions are lacking in many families. For the welfare of the community it is to be hoped that parents will exercise the proper care in handling such cases.

Two more children died yesterday from contagious diseases, one was Morgan Ritch, aged 4 years, of 1022 West Linden street, and the other was the 3-year-old child of Mr. and Mrs. Will Whitman, of 238 South Hyde Park avenue. The funeral of the latter will be privately conducted at 2:30 o'clock this afternoon and interment will be made in the Forest Hill cemetery.

## DOWN KELLY'S WAY.

George Koeser and John Callick, both Hungarians, became involved in a quarrel last Sunday night at the corner of Scranton and Seventh streets, and the former stabbed Callick with a knife. He has since been under the care of Dr. Walker, and yesterday swore out a warrant before Alderman Kelly for Koeser's arrest, on the charge of felonious wounding.

Constable James Clark has the warrant, and is looking for the assailant. He also has a warrant for the arrest of Daniel McGuire, of this city, who recently appropriated an overcoat and other articles of clothing from the house of Nicholas Glynn, at Fell township. In addition to stealing the clothes, McGuire left an unpaid board bill at Glynn's, and when he is arraigned before Alderman Kelly, he will be called upon to answer the charges of theft and defrauding a boarding house keeper.

Congressman Connell has acknowledged the receipt of the petition sent him in behalf of the proposed branch postoffice and in his reply to President Daniels states that he will give the matter his immediate attention.

A UNITED STATES SENATOR  
RESTORED TO HEALTH.

Peruna as a Nerve and Catarrh Tonic the  
Talk of the World.

HON. W. V. SULLIVAN, UNITED STATES SENATOR FROM MISSISSIPPI

Hon. W. V. Sullivan, United States senator from Mississippi, in a letter recently written to Dr. Hartman, from Oxford, Miss., says the following of Peruna as a catarrh remedy:

"For some time I have been a sufferer from catarrh in its most insidious stage, so much so that I became alarmed as to my general health. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic. I take pleasure in recommending your great national catarrh cure, Peruna, as the best I have ever tried."

W. V. Sullivan.

Hon. Philip P. Thompson, Jr., member of congress from Kentucky, in a recent letter has the following to say of the national catarrh remedy, Peruna. The letter was written at Wash-

ington, D. C., and reads as follows: "My friends have used your remedy, Peruna, and I take pleasure in testifying to the merits of your medicine. Besides being one of the very best tonics, it is a good substantial catarrh remedy."

Miss Irene Cooper, assistant superintendent of the Old People's Home, Chicago, Ill., also has a good word to say for Peruna. In a letter written from 3933 Prairie avenue, Chicago, Ill., she says:

"In these days of all kinds of medicine it is a comfort to know of a remedy which may be used with unquestioned beneficial results. I gladly recommend Peruna as safe, reliable remedy in cases of catarrh of Miss Irene Cooper the stomach, helpful in building up

muscle; several banjo selections were skillfully rendered by Miss Mary Devine. Those present were: James Elby, William Wright, Thomas Watkins, William Patterson, Irvin Davis, Arlington Crossman, Ray Robinson, Johnnie Floss, James Laird and William Williamson.

the system worn out with overwork or age.

"Several of my friends who have used Peruna have spoken of it in the highest terms, and I congratulate you on its merits."

Mrs. W. E. Grissom, Henry, Ellis county, Texas, writes:

"I took Peruna faithfully over two months, and the result is a thoroughly renovated system and a strong, buoyant feeling, to say nothing of a cure of the chronic catarrh. Therefore I shall advise every one of every opportunity to speak of Peruna as a catarrh cure."

Mr. Harry M. Stevens, Midland Beach, L. I., New York, proprietor of "The Richmond" Hotel, says of Peruna:

"It gives me pleasure to testify to the value of Peruna. I have used it for years and have found it to be a most excellent family remedy. For colds, catarrh and similar ills, it is unsurpassed. Cordially and gratefully, 'Harry M. Stevens.'"

Catarrh is a systemic disease, curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does. Peruna immediately invigorates the nerve centers, which give vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured.

Peruna cures catarrh wherever located. Peruna is not a guess nor an experiment—it is an absolute scientific certainty. Peruna has no substitute—no rivals. Insist upon having Peruna. A free book written by Dr. Hartman, on the subject of catarrh in its different phases and stages, will be sent free to any address by The Peruna Medicine Co., Columbus, O.
